Run out of tiles and there is no winner?

Les joueurs n'ont plus de jetons et il n'y a pas de gagnant?

Avete finito le tessere e non c'è nessun vincitore?

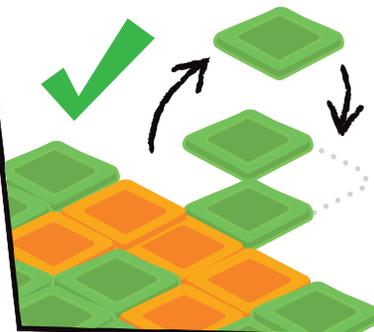

8

Take turns repositioning your tile until someone makes a line of five...

Ils peuvent repositionner leurs jetons, chacun à leur tour, jusqu'à ce que l'un d'entre eux en aligne cinq...

Nessun problema, riposionate a turno le vostre tessere finché qualcuno non realizzerà una linea di cinque.

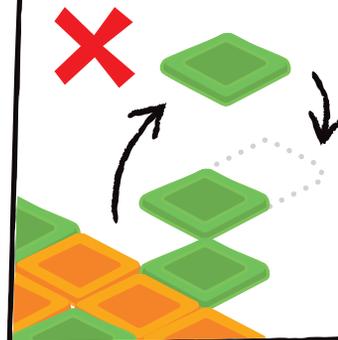

9

...but make sure no tiles are left 'stranded', they must all be connected by a flat edge.

...mais aucun jeton ne doit être » abandonné ». Ils doivent tous se toucher par un côté.

Ma fate attenzione a non lasciare tessere isolate, devono essere tutte connesse almeno da un lato.

Clip these rules to the game.

La règle du jeu peut être accrochée aux jetons.

Tenete questo regolamento insieme al gioco al gioco.
